

## Philips North America

### What You Will Need:

- TA-7650 or TA-7650/TA-7500L
  - MediaHub HD Connectivity Panel
  - Power Supply Cable (*Note: MediaHub with Power/Data Extender model includes TWO power supplies – one for media panel and one for power panel*)
  - Ethernet Cable (for MediaHub with Power/Data Extender model only)
- MediaHub Cable Kit
  - HDMI Cable (3m)
  - RS-232 Cable
- Philips Hospitality Display & Remote Control

### Philips North America Direct-to-TV Installation

Follow cable connection instructions illustrated in Figure 1. Then configure the TV and MediaHub HD according to the model-specific requirements below.

#### Philips HFL 2011 Models

For nnHFLL/F7, nnHFLD/F7, nnHFLF/F7, and nnHFLH/F7 models. This installation requires Philips TV firmware version 1.13. Connect the HDMI cable to TV's REAR HDMI1 port.

MediaHub HD DIP Mode B6: UP-DWN-UP-UP – DWN-UP-UP-DWN

MediaHub HD Firmware Version: 1.28+

MediaHub HD Video Driver Firmware: 3.26+

Configure TV: Using guest remote control, enter the set-up menu by pressing <3>, <1>, <9>, <7>, <5>, <3>, <MUTE>. Under PPV/VOD set SerialXpress=YES.

#### Philips HFL 2009/2010 Models

For nnHFLD/27, nnHFLV/27 and nnHFLL/27 models

MediaHub HD DIP Mode B6: UP-DWN-UP-UP – DWN-UP-UP-DWN

MediaHub HD Firmware Version: 1.28+

MediaHub HD Video Driver Firmware: 3.26+

Configure TV: Using guest remote control, enter the set-up menu by pressing <3>, <1>, <9>, <7>, <5>, <3>, <MUTE>. Under

Communications, set SP-SP1 to RS232 Serial port, CP=YES. Select SAVE and Baud Rate will default to 9600.

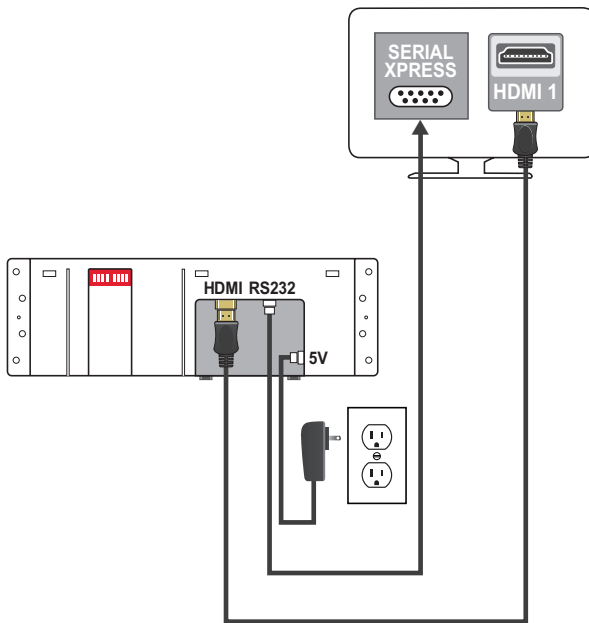

Figure 1: Philips 2009/2010 direct-to-TV cable connection diagram.

**Philips HFL Models with an External PPV STB**

Follow Philips Direct-to-TV installation instructions according to instructions above. Connect the PPV STB AV Out to TV's HDMI1 port. Connect MediaHub HD's HDMI to TV's HDMI2.

**Philips HFL 2009 Models with an Enseo HD3000/2000**

Follow instructions for Philips Direct-to-TV Installation according to the model/year of your Philips display. OR, you may install MediaHub HD's serial control connection to the Enseo STB. See instructions for Enseo STB Installation.
